I work for Washtenaw Intermediate School District as an Early Literacy and Coaching Coordinator. I serve on the PTO in order to positively contribute to the rich community that is present at Lawton Elementary.

This is my first year on the PTO and I am excited to get to know more teachers, parents, caregivers, and school staff. I was born and raised in Ann Arbor and currently work for the City Attorney's Office. Our older son, Lucas, is in his third year at Lawton (Y5, K, now 1st) and we love being part of the wonderful Lawton community. I volunteered to serve on the PTO to help support the Lawton community, including teachers, administration, and parents.
